Canadian
Businesses

H1 Solution, Inc.

Is your company facing a shortage of workers?

H1 Solution provides options, solutions and guidelines for Canadian Businesses.

Canada is going to face a record shortage of workers in the next 10 years

- “Immigrants (foreign workers) could count for virtually all labor force growth by 2011” – Statistic Canada (www.statcan.ca)
- “A record shortage of labor seen within a decade” – The office of the Superintendent of Financial Institute (www.osfi-bsif.gc.ca)
- “The work force must expand and invest in skills or future economic growth is threatened” – Organization of Economic Cooperation and Development, 17th September 2003
- “Aging population and the work force – challenges for employers” – C.D. Howe Institute.”
- “The shortage of skilled trade needs special attention, attitudes and system needs to change” – Conference Board of Canada, October 2002 (www.conferenceboard.ca)
- “Immigration is the New Year’s wish for growing Canada’s labour force” – Canadian Labour and Business Development Center, 30th December 2003 (www.clbc.ca)

It is predicted that Canada is going to face a record shortage of workers within the next ten years.

Many major surveys verify the worker shortage.

Some citations from surveys:

Immigrants (foreign workers) could count for virtually all labor force growth by 2011 – Statistic Canada (www.statcan.ca)

A record shortage of labor seen within a decade –The office of the Superintendent of Financial Institute (www.osfi-bsif.gc.ca)

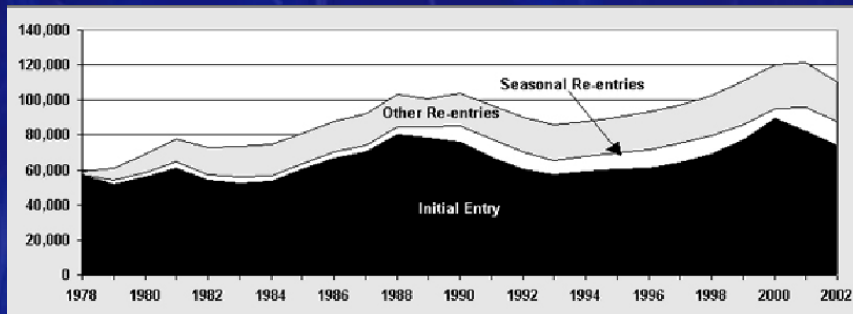

The work force must expand and invest in skills or future economic growth is threatened – OECD, 17th September 2003

Aging population and the work force – challenges for employers - C.D. Howe Institute.

The shortage of skilled trade needs special attention, attitudes and system needs to change – Conference Board of Canada, October 2002 (www.conferenceboard.ca)

Immigration is the New Year’s wish for growing Canada’s labour force – Canadian Labour and Business Development Center, 30th December 2003 (www.clbc.ca)
